

Paralegals' Professional Indemnity Insurance backed by independent, professional advice

Why deal with JM Glendinning for your Professional Indemnity Insurance?

As a Paralegal regulated by the PPR, Professional Indemnity Insurance is a specific requirement. Here is a summary of how we can help you find the right insurer for your firm at a competitive premium:

- **Approved**
We are approved by your regulator to provide your Professional Indemnity insurance and we are working with an insurer to arrange a scheme facility to house your Professional Indemnity and other insurance requirements
- **Top-75 UK Insurance Broker**
As one of the UK's Top-75 Insurance Brokers, we remain independent and have strong relationships with major insurers. We've been established since 1972 and have always focused on providing professional, personal service.
- **In-house claims team**
If you're unfortunate and need to claim, or even if you think a claim may arise, we can help advise you and defend the claim. Our specialist team work with you, so that you're not left to work directly with the insurer.
- **Experienced**
We've specialised in the legal profession since 2000, in that time we've received great feedback from many satisfied customers in your profession.
